DIVISION OF CONSUMER AFFAIRS
BOARD OF NURSING

IN THE MATTER OF THE APPLICATION :	
FOR LICENSURE OF :	Administrative Action
:	
RACHAEL MARY PROVEAUX :	CONSENT ORDER
NR 17617100 :	
TO PRACTICE NURSING :	
IN THE STATE OF NEW JERSEY :	
_____ :	

This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of Rachael Mary Proveaux's online application for licensure by endorsement as a Registered Professional Nurse, including consent to undergo a criminal history background check. The criminal history background check revealed a 2007 arrest in South Carolina for disorderly conduct. In 2008, the applicant pled no contest and was assessed fines and costs totaling one hundred and fifty seven dollars (\$157).

The applicant failed to disclose the arrest on her application for licensure, answering "No" to the question which asked "Have you ever been summoned; arrested; taken into custody; indicted; tried; charged with; admitted into pre-trial intervention (P.T.I.); or pled guilty to any violation of law, ordinance, felony, misdemeanor or disorderly persons offense, in New Jersey, any other state, the District of Columbia or in any other jurisdiction?" The application failed to disclose the conviction on her application for licensure, answering "No" to the question which asked "Have you ever been convicted of any crime or offense under any circumstances? This includes, but is not limited to, a plea of guilty, non vult, nolo contendere, no contest, or a finding of guilt by a judge or jury."

After learning that the Board was evaluating her application and her responses to these questions, the applicant provided further information explaining that the offense was the result of an argument with a former partner that occurred while traveling. She was unable to return to South Carolina to contest the charges. Since that time, she has concentrated on her personal development and furthering her education.

The Board finds that the applicant violated N.J.S.A.

45:1-21(b). The Board having reviewed this matter, and having considered the nature and timing of the above conduct, and the parties desiring to resolve this matter, and the Board having determined that the within Order is sufficiently protective of the public, in lieu of further proceedings, and for other good cause shown;

IT IS on this 9th day of October, 2014

HEREBY ORDERED AND AGREED that:

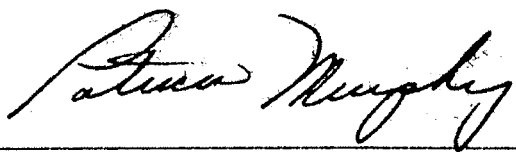

1. Rachael Mary Proveaux's application for licensure by endorsement as a Registered Professional Nurse shall be granted upon payment of the civil penalty herein imposed.

2. A civil penalty in the amount of five hundred dollars (\$500) is hereby imposed upon the applicant for failing to disclose her arrest and conviction on her application. Payment shall be made by certified check, bank cashier check, or money order payable to AState of New Jersey@ submitted with this signed Consent Order, or by wire transfer, direct deposit, or credit card payment delivered or mailed to George Hebert, Executive Director, State Board of Nursing, P.O. Box 45010, Newark, New Jersey 07101. Any other form of payment will be rejected and will be returned to the party making the

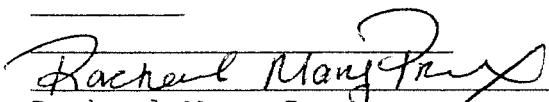

payment.
